

# The dog walks map around the Cadeleigh Arms

**Walk 1: Easy, 2kms, 45 mins some rocky terrain & can be muddy when raining**

**Walk 2: Easy, 4kms, 1hr 20mins, steep downhill on country roads, slight steep incline through field.**

**Walk 3: Average/ hard, 5.6 kms, 1hr 45mins, down the main road first then right onto bridal path. This walk is through farmland and a corn field. Very steep hill at the last leg of this one. Not for the faint hearted.**

**Walk 4: Average/ hard, 6kms, 2hrs 20mins, long walk through fields, woods & farms. It joins the black route**

**Walk 5: Average, 5.6 kms, 2 hrs, down the main road to start, then through a gate. Nice walk along the river. Some steep parts at points.**

Please stick to the map. Be aware some of the walks will go through private property. (Please respect this.) Always close the gates behind you. Always keep dogs on their leads. There are farm animals in some of the fields. The animals are curious of you some will run away some may approach you. Please don't run, just shoo them away.

Remember to stick to the routes on the map. Cows can be big and intimidating.

Make sure you are wearing appropriate footwear. Make sure you have plenty of water and stay hydrated.

Wear sunscreen at all times. Make sure you have a water proof, you don't want to be caught out.

if you get lost just ask someone. There is always someone around.
